## PROFESSIONAL SUMMARY

Certified UX/UI Designer with 3+ years of experience designing responsive web and mobile products that are usable, equitable, enjoyable, and useful. Skilled in user research, prototyping, and creating design systems that align with brand and accessibility standards. Proven ability to collaborate with cross-functional teams to solve real user problems and deliver innovative digital experiences. Passionate about improving educational and learning platforms through human-centered design.

## WORK HISTORY

### Freelance UX/UI Designer – Upwork

Remote

11/2022 - 11/2022

- Collaborated with product managers and developers to deliver end-to-end user experiences for web and mobile applications.
- Conducted user research and usability testing, transforming findings into wireframes, prototypes, and final designs.
- Established and maintained design systems to ensure brand consistency across multiple projects.
- Designed and iterated interfaces based on feedback, improving usability and accessibility.

### UX/UI Designer – Bakery App Project

Ogun State, Nigeria

05/2022 - 08/2022

- Led design process from user research to high-fidelity prototyping for an e-commerce mobile app.
- Developed dark mode feature and implemented accessibility principles for better user inclusivity.
- Delivered interactive prototypes and collaborated closely with developers for implementation.
